PREVIEW OF THE AREA COMMITTEE MEETING

July 2012

At the June 23 **Area Committee Meeting** (“**ACM**”), we passed two housekeeping motions (“**HKMs**”): One funds an Area BTG Committee member’s attendance at the 22nd Annual BTG Temporary Contact Workshop Weekend in Minneapolis during September, not to exceed \$725.00. The other funds an Archives rep to attend the annual Archives Workshop in Florida during October, not to exceed the budgeted \$700.00.

We passed two items of old business: This first one requests reimbursing the PI/CPC Chair for travel expenses to PI/CPC exhibit events. The second is Marin’s re-sub-districting request.

The Interpretation and Translation (“I&T”) Committee has withdrawn the latest revision of the guidelines they’d presented. They will present an updated version in the near future.

I&T also presented the following item of new business: “That CNCA provide two Spanish/English interpreters at each summer assembly workshop, to avoid more than 30 minutes of continuous interpretation.” I was asked to supply the latest relevant motion for reference. That motion is #1008-3: “That CNCA continues to provide professional simultaneous Spanish/English interpretation at assemblies, professional quality simultaneous Spanish/English interpretation at all assembly workshops, the Area Meeting (including the DCMC and DCM sharing sessions and 2 standing committees on a rotating basis but so that there shall be no more than two sessions being interpreted concurrently) AND that CNCA do so on the basis of, currently, \$60 per hour plus mileage and accommodations in accordance with CNCA travel expense reimbursement policy. This motion supersedes motions: 9706-1, 0407-1, 0412-3, 0606-3, 0705-3, 0803-2, and 0912-5.” Also for your reference: The financial impact would be roughly \$500-\$2,000 per year, which would vary greatly depending on how far translators would have to travel to any given summer assembly. Recall that assemblies occur anywhere throughout the coastal counties from Crescent City to Monterey, and as far east as Vacaville in Solano County.

We Area Officers received an overwhelming number of suggestions for summer assembly workshop topics. Narrowing them down to six was challenging and time-consuming. We carefully considered each one, and are truly grateful for each suggested topic.

I always get particularly excited about CNCA summer assemblies. Summer assemblies are what especially attracted me to general service. My feeling is that the workshops are easily accessible to all members. Please consider inviting your sponsees, sponsors, and homegroup members. Without question, the CNCA summer assembly is an experience you must not miss. And I haven’t even talked about the business meeting yet.

Thanks for allowing me to serve.

Jeff O., Area Chair

Greetings Fellow Trusted Servants:

Today is July 1st, the first day of the final quarter of Panel 61. I can't believe we've completed three fourths of this rotation of our respective AA Service commitments. I don't know about you but this past eighteen months have been a blur, although I've tried to stay in the moment, and enjoy the journey. So, as we enter the home stretch of our service commitments I hope we can all continue to put out the same effort and enthusiasm we had when we started. There is still much work to be done, including looking ahead to where our next job in AA will be.

What's been on my mind recently is the Workshop Topic from this year's General Service Conference: **"Safety in A.A.: Our Common Welfare."**

Once during the course of the Conference week conference members break up into smaller groups and discuss the workshop topic, addressing the questions listed below.

1. How can we make our Home Group a welcoming and accessible place?
2. How can sponsorship aid in keeping our A.A. message safe?
3. In keeping with our Traditions, how would/does my group address matters that may arise, such as:
 - Conduct that disrupts the meeting
 - Illegal activity
 - Inappropriate behavior towards vulnerable new members (e.g. "13 Stepping")
 - Emergencies (injury/accident/fire/etc.)

The Workshop was one of the most enjoyable aspects of the Conference. I particularly liked the smaller more intimate gathering where everyone was able to share their own experience, strength and hope on the topic. As my experience is limited to my home group and the other meetings I attend I learned many things I was not previously aware of. Things like; in some groups/meetings newcomers are not made to feel safe because of inappropriate behavior by respected long-timers. It's up to **all of us** to be an advocate for the new person and stand up against behavior that we know is wrong, even if it's being done by someone with perceived authority in the group. Everyone who walks through the doors of AA has the right to expect fair and equal treatment, how would you feel if it was your loved one reaching out for help? I would like to encourage each and every one of us to honestly look at our own behavior and motives, as well as encourage our home group to take it inventory in regard to the above topic.

"The unity, the effectiveness, and ever the survival of A.A. will always depend upon our continued willingness to give up some of our personal ambitions and desires for the common safety and welfare. Just as sacrificed means survival for the individual alcoholic, so does sacrifice mean unity and survival for the group and for A.A.'s entire Fellowship." - A.A. Comes of Age page 287-288

Love and Service, Ken

Making General Service Accessible

Some thoughts on accessibility:

Providing access

Capable of being reached, used, seen, understood

Approachable and attainable

Duties/responsibilities might include

GSR orientation

Group concern meetings before dist. Meeting

Monthly sub district meetings

Service sponsorship

Concept meeting

Workshops

Scholarships to PRAASA and forums

Written pass-it-ons

District sharing session

Suggest service sponsorship

Get into action, attend meetings, assist and coach GSR's, assist in taking group consciences. Help GSR's understand what happened with agenda items. Spell out acronyms, use technology, be available. Encourage questions or solicit information. Try to give everyone a voice. Reach out to groups that may have an orientation other than mainstream AA. Serve their needs. Get in the car. Spread enthusiasm.

Stress how service has enhanced spirituality and personal growth.

Get people involved at all levels and at all meetings. Other may be uncomfortable and enjoy being included.

Emphasize the language of the heart: be genuinely animated by the spirit of substantial unanimity.

Realize that the process is often more important than the end result.

AREA OFFICER JOB DISCRIPTIONS

CNCA Registrar

The Area Registrar maintains records of groups & Area Committee members in CNCA and sends changes to GSO. New groups are checked against present group records, to avoid duplications. Accuracy is important.

Printing mailing labels for *CNCA Comments* is a function of the Area Registrar. In addition to maintaining the DCMC & Area Officers Roster, the Registrar produces a variety of reports for the Area Committee and Districts, such as attendance at Assemblies and group records. Additionally, you may be asked to provide mailing labels to districts upon request.

For assemblies, the Area Registrar arrives early, with Assembly Registration sheets, and stays until the end; maintains Assembly attendance records, analyzes and reports trends. Prior to the Election Assembly, the Registrar prints a list of people eligible for Area Office.

Past 3 Area Registrars averaged 30-40 hours month. During the first year of the panel count on an *extra six to ten hours per week in January, February and March*, for the updates made to FNV and your learning curve

Necessary to have some Computer experience, Physical mailing address, Telephone & Space for computer and files & Helpful-Experience with Microsoft Access, E-mail.

CNCA Recording Secretary

Using the area laptop computer- record the minutes from Area Committee meetings, & all assemblies. Format and email to the *CNCA Comments* Editor, the *Comentarios de ACNC* Editor, and the Area Officers, and to the DCMCs and the Standing Committee Chairs. At Pre-Conference Assembly, is helpful to the delegate to record essence of group consciences shared for agenda topic items. Bring extra copies of the Assembly minutes to the following ACM & Assembly.

Keep forms up-to-date and make copies; tally voting/non-voting members. Maintain the sign-in sheets, motions forms and District/Committee report form in English and Spanish, and ensure copies are available at the Area Committee Meeting. Submit expenses for Travel reimbursement & copies. Travel to 2-4 Districts monthly

Secretaries update the Motions/Reports Book with all the motions during the panel & make binder copies & CDs for the next panels members. Helpful to have some computer skills & familiar with email.

CNCA Assembly Coordinator

1. Attend all Area Meetings, Assemblies, 2-4 District visits per month.
2. Facilitate area DCM SHARING session meeting.
3. Set assembly dates with collaboration of officers.
4. Store, transport and set up (with help), and operate P. A. system.
5. Visit potential Assembly sites for review and approval.
6. Help Districts make assembly bids, review & sign contracts, review final expense tally.
7. Visit District coordination meetings (1 or 2 per assembly).
8. Help prepare Petaluma (set up sound, reserve rooms, bring District and Standing / Ad - Hoc Meeting signs).
9. Often arrive day before assembly for set up, test PA & equipment.

Helpful skills: Sound systems, soldering, electronics, and computer skills.

Approximate monthly commitment hours 50-60.
