

**Preview of the Area Committee Meeting**  
**December 2015**

The Fall Inventory was well attended! Thank you District 11 for all your hard work to host this assembly. At this assembly we had 3 presentations of new business and one motion that was voted on and passed. That motion was "That the General Service Conference re-consider the Panel 61 Public Information Advisory Action regarding A.A. videos containing full faces." Our delegate will be writing a letter to the General Service Board requesting that this be considered as an Agenda Topic for a future General Service Conference.

The agenda for the Area Committee meeting was a bit light for once. The Financial Guidelines which were presented last month were objected to this month. That will be new business in December. There was a presentation of the 2016 Budget by the Finance committee. Also in December I will ask if there are any objections to the Budget. The Budget and Guidelines are treated almost like a housekeeping motion. The Chair will ask if there are any objections, and if there are none it passes. If there is an objection, the item becomes new business in the following month and there is opportunity for discussion and vote. I hope the Districts will have time to review the Budget before the next Area Committee Meeting.

We also had a housekeeping motion that was objected to and will also become new business next month. That motion was from the Web Committee and reads, "That the Website Committee replace the current, static event list on the CNCA website with an Event Calendar that has been tested on the Committee's test site."

And finally, there was a bid for the 2017 Post Conference Assembly to be held at the Lake County Fair Grounds presented by District 13. That bid passed. Please check out the proposed dates for Panel 67 which will be listed in your CNCA Comments.

It is so hard to believe that 2015 is almost at a close. We are halfway through this year! What a ride so far. I am wishing all of you the best this holiday season. Please remember that the December Area committee meeting will be on December 19<sup>th</sup> this month to accommodate all the holidays. I look forward to seeing you then

In service and gratitude,  
Joann L.  
Panel 65 CNC Area Chair

**Please bring your FM Radios! To the Area Committee meeting and to all Assemblies!**
