

Dear Members of CNCA:

This weekend the General Service Board is working on the Final Agenda so far I have been notified that the Background Material will be posted on the dashboard on February 12th for some areas will be sent on flash drive but it will take a little longer.

I received the ballot results on the following proposal that I mention on January's Delegates corner:

“That the 2016 General Service Conference workshop topic “Anonymity - The Spiritual Foundation” be deferred to the 2017 General Service Conference so that the 2016 Conference can discuss and respond to the GSB request for sharing on the Feasibility Study.” YES 71 NO 2 ABSTAIN 0

Please note that the workshop topic of Anonymity will be deferred to the 2017 General Service Conference. Workshop topics will not be sent out this year from the office for use at area assemblies. I will be making a presentation on this topic at the February ACM to get some feedback from all of you guys since this will be an important item at the Conference, it is possible that we might get some background material but I will let you know as soon as I find out.

This is the time for all the GSRs to start reaching out to your home groups and to start planning the special meetings for the Agenda Topics group consciences, it's always helpful if you can contact your DCM, DCMCs, Area Officers, Past Delegates or anyone who's been through this process before to help you organize it and you can also attend your District workshop where you will find their various successful experiences.

I want to thank all the 17 volunteers who made themselves available for PRAASA, We still need Spanish speaking volunteers for registration, I been in contact with the program chair and she asked Past Delegate Area 09 and myself to help out to translate the program.

I got very inspired reading the past Delegates Corner for other years and I found a lot of love, encouragement and guidance for all of us who are serving in the present towards the future generations, it's really amazing to take a look at the past and to feel the gratitude in my heart for those who serve before us thinking that there were hoping that someday some of us will show up at the rooms of AA and they did whatever possible to keep the doors open for us. There is no doubt that actions were taken for you and I to be sober today. let's hope with the same spirit that we can make the same difference for those who are still out there and specially for those new GSRs, who will participate with their group consciences looking toward the future with Love, Gratitude and Service for our Future Generations, I'd like to share a phrase that I found in one of our past Delegates Corners that is no longer with us ***“Don't get caught up in the small details, but look to the primary purpose; This is what the Fellowship does best.”***

With Spirit of Love in Service
