

## Chair's Preview August 2016

While we were gathering in Petaluma for the July Area Committee meeting, the La Vina 20<sup>th</sup> Anniversary was taking place in Phoenix, Arizona. I am looking forward to hearing how it went.

The Ad Hoc Committee on exploring the feasibility of future CNCA assemblies gave us a brief report on their progress. Any questions or comments can be giving to Erica S. of District 5.

We had a presentation of new Business:

<sup>35</sup><sub>17</sub> That CNCA form and ACCESS Committee.

The motion was later withdrawn and will **not** be presented at the next assembly.

There was some discussion on the two items of new business. They were:

<sup>35</sup><sub>17</sub> That CNCA fund one Website committee person, at a cost not to exceed \$1200, to attend the 3 day National A.A. Technology Workshop to be held Friday November 18<sup>th</sup> through November 20<sup>th</sup> in Winston-Salem, North Carolina.

<sup>35</sup><sub>17</sub> That CNCA accept contributions and payments electronically.

Both of these items will be Old Business at the August Area Committee Meeting. Please discuss these in your district meetings.

We also had a report from Shaun, Chair of NCCAA, about their up-coming 70<sup>th</sup> Anniversary conference in 2017. Lots of participation and speakers from GSO will be at this event. Check out their website, [norcalaa.org](http://norcalaa.org), for information on all their events.

Please make you plans to attend the Summer Assembly at the Santa Cruz Fairgrounds in Watsonville. Hotels in this area can be pricey. Contact [district03dcmc@gmail.com](mailto:district03dcmc@gmail.com) for Hospitality needs.

As always, please bring you're AM/FM radios to all CNCA events.

In service and gratitude,

Joann L.
