PREVIEW OF THE AREA COMMITTEE MEETING

August 2013

Hello Panel 63 Trusted Servants

At the July 27th, **Area Committee Meeting (“ACM”)** we passed 3 housekeeping motions, “That CNCA reimburse \$48 to CNIA (07) to share the cost of distributing the DVD —It Sure Beats Sitting in a Cell” to the six California Department of Corrections and Rehabilitation (CDCR) facilities within CNCA boundaries. —Jeff O. PI/CPC. —That ACM purchase FM radios with a suggested donation at cost for availability at ACM's and assemblies, not to exceed \$300.00 --Richard H. I&T. —That CNCA fund the BTG Local Forum to be held on October 20th in San Jose not to exceed \$600.-Claudia N. BTG.

District 09 withdrew their bid till next panel and, District 10 will present their bid at the next ACM for the 2014 Summer Assembly.

November 9th, we will be taking our inventory in CNCA at the fall Assembly in San Francisco. Please note your calendars and consider what you would like to discuss. Submit suggested inventory questions to any Area Officer. Also we will be nominating a candidate for Pacific Regional Trustee to be elected at the next Conference.

“The twelve traditions make clear the principle that A.A. as such, should never be organized, that there are no bosses and no government in A.A. Yet at the same time, the traditions recognize the need for some kind of organization to carry the message in ways that are impossible for the local groups—such as publication of a uniform literature and public information resources, helping new groups get started, publishing an international magazine, and carrying the message in other languages into other countries. (S15)”

There is no greater joy than to Serve! I would like to thank our past Delegate Panel 53 Doug G. for sharing his wonderful experience with us at July's ACM about his time spent in Russia. I could say that all of us who were there were transported and felt the rewarding Gifts of Gratitude for being a part of General Service.

Next year La Viña's 18th anniversary will be in Las Vegas Nevada Area 42.

The weekend of August 23-25 there will be a big race in Sonoma Valley will likely cause heavy traffic on highways 12 and 37, expect more traffic than usual.

Don't forget to bring your FM radios

With Gratitude in Service,
Raymundo L, Area Chair

Joyful Greetings fellow Trusted Servants,

What an Exciting Summer it is!

Mid July I traveled to Fullerton CA for the **La Vina 17th Anniversary!** There were two days of fantastic panels, presentations, and food. And of course a beautiful cake and dance to kick it up a notch! Members from all over the Pacific Region were in attendance to show love and support for our La Vina magazine and our Latino brothers and sisters in AA. I especially enjoyed the opportunity to share this event with four current California delegates, and a few past delegates. This event collected over 670 new subscriptions to La Vina! *Wow, Viva La Vina!*

Did you all know the **"70th Anniversary** of the **"GRAPEVINE"** is June 2014? Let's celebrate this MILESTONE! The Grapevine magazine, our "Lifeline" in print, has seen *"Seven"* decades of tireless and dedicated work by GVR's, Staff, Editors, Volunteers and Trustees! Let's also acknowledge all the other great GV publications and tools. Our founder Bill W. knew it was the best way to communicate his thoughts to members in our early years, and he hoped AA's would continue to share our personal experiences worldwide in the future.

Through all the changes with print media and in our society, I am truly grateful our magazine continues their efforts to help members on both sides of the Walls & Wire. So often I have discovered new ideas or been moved to tears while reading stories in the GV, haven't you? I hope you have a current GV or La Vina subscription, as there are some very exciting issues in the works! It's going to be an awesome year! I really look forward to celebrating our gratitude together!

I will be traveling this month for GS Conference reports, Unity Days, and our CNCA Summer Assembly in Crescent City. And very soon we will receive the Final Report of the "63rd General Service Conference." There is no official way to read or share this report with your group; each GSR experience is unique. As a GSR I tried to have fun and make it interesting. I often started with the terrific thoughts or ideas found in the Openings, Keynote addresses, and the Delegate presentations. I hope you have fun with it! Please let me know if you have any questions or I can be of any help.

With much Love and Gratitude!

Padee

OFFICER REPORTS:

DELEGATE Padee M: Sent out emails to DCMCs about GSO job rotations and the final Conference inventory notes please feel free to send out to your DCMs. Final conference report approved and sent in. No word on service manuals, but am hoping we may have conference report for assembly. During my conference report travels I have received hospitality from former officers with overnight stays. Looking forward to assembly; am sharing a ride and a room. Heard ICCYPA was a success. Attended the La Viña anniversary, which was great. David is in NY doing service; Doug recently returned from Russia, where he did service. Conference inventory report was awesome to read. AA is a special fellowship. We are all volunteers in our service work, from GSRs to trustees. We serve, we rotate out; we are not professionals. Our service work is for love and for free. It is amazing journey that we serve in volunteer and loving work.

ALTERNATE DELEGATE Jeff O: GSO was made aware of an effort by several groups to make a commemorative stamp of Bill Wilson to be unveiled at the International Convention: there are no such plans in place. GSO sent a letter to post office explaining our principle of anonymity, both of our living and deceased members. See you at the summer assembly.

Chair: Raymundo L: I have some lost and found items and I lost the lost and found sign I made to put up: let me know if you found it.

TREASURER Agustin L: Income June: 6305.26/ Expenses:4680.82 = +1623.44. Today we are spending about 7,000 toward our assembly so will have about 8201 remaining in working capital. After the reimbursements for the assembly, we will know where we stand.

REGISTRAR Michael Q: Want to encourage everyone to attend assembly and it's our responsibility to be there. Our history shows summer attendance growing. Thank you for your participation.

RECORDING Secretary Judy W: Please read the handout on what/what not to share at the mike so our meeting will flow smoothly. It is an honor to serve you, thank you.

ASSEMBLY COORDINATOR Phil B: Have been in contact with host committee. There are 6 great topics. Free barbecue; maybe a bonfire. Solano South withdrawing their bid and Marin tabling theirs: Summer Assembly 2014 still open for bid.

LITERATURE/GV Ray W: Last weekend was the La Viña 17th anniversary celebration. It was great and exciting. Lots of new and old timers. Lots of new subscriptions: (671) including 97 from CNCA members. Next year's anniversary will be in Las Vegas and we may take a bus.

THAT CNCA REIMBURSE TO CNIA \$48.00 TO SHARE THE COST OF DISTRIBUTING THE DVD "IT SURE BEATS SITTING IN A CELL" TO THE SIX CALIFORNIA DEPARTMENT OF CORRECTIONS AND REHABILITATION (CDCR) FACILITIES WITHIN CNCA BOUNDARIES. (presented by Jeff O, PI/CPC chair). No objections. ****MOTION PASSES****

THAT ACM PURCHASE FM RADIOS WITH A SUGGESTED DONATION AT COST FOR AVAILABILITY AT ACMs AND ASSEMBLIES, NOT TO EXCEED \$300.00 (Presented by Richard H, I&T chair).

Discussion: **Q** I think we will avoid IRS problems if we do not sell and accept a donation.//**Q.** Will this include headphones?//**A.** Yes// We need to put this in the motion as "available for a suggested donation.//I suggest available at cost.//I am acceptable to any amendment: I just want to be of service.//**Q.** Are these to be that people can make a contribution and give back or keep?//**Q.** If it's only a one time thing are we going to revisit?// If sold at cost, then sales tax; hence suggested donation.//**Q.** If I'm willing to make \$10 donation because I forgot mine, won't giving them back help area?//**A.** I don't want to clean them up, etc.//**Q.** My understanding is we've had them to lend before and now are discussing no lending so we can make a donation to area.//**A.** Yes.//We did this at Lake County. I don't know how it worked out but it was a service. No objections. ****MOTION PASSES****

THAT CNCA FUND BTG TO HOLD A LOCAL FORUM IN SAN JOSE ON OCT NOT TO EXCEED \$600.00 (presented by Claudia N, BTG chair). No objections. ****MOTION PASSES****

Comments from Doug G: Every other year, delegates from around the world with a service structure come to the world service mtg. During the interim there are regional meetings to keep the momentum going. The Asia/Oceania meeting was held in Siberia, Russia: a long way from no where. Went as interpreter for Japan GSB. Was I willing to go to any lengths? I had to really ask myself as I flew to Paris and then to Russia all on same day. 8 countries were there. Theme was carrying the

message beyond borders with discussion of country to country sponsorship. Sometimes nothing happens as a result of the zone meeting, but this year's committees are committed to moving forward. Keynote by John L. from Australia, next chair, addressed how, since our early days, friends of AA have allowed AA to grow and thrive, a recent one being an actor in India not in AA but who spoke lovingly on tv: 300,000 calls resulted. Countries have grown as the result of these experiences. In 2015 the meeting will be in Dubai and will focus on PI/CPC. The closing was beautiful. All the delegates gave their farewell remarks. Heartwarming to see AA in action: and all because *you* put extra money in the basket. Your spirituality helps someone in another part of the world.

WHAT'S ON YOUR MIND?

Thank you to our web committee. I was able to open old archived issues, it was easy to find comments and open pdf files. I know it takes a lot of work. Not only to them, but to all who serve.//I want to express gratitude to I&T committee. You loaned me a radio when mine died, and it's still the one I use//Our coffee pots are getting a lot of use; keep that in mind and let's see all for volleyball in Crescent City//Archives is working with a group and we're looking for some schedules; we need your help to cooperate with them.//What an exciting meeting the DCM meeting was this am: the most exciting meeting this panel. Someone finally starting talking about the elephant in the room.//Guidelines for the reports are very good, but I do like to hear what is going to happen next month//Reminding you to bring your fm radios// attending the linguistic dist events or the La Viña events is for all of us I have been attending the intradistrictals for 10 yrs and it is so much fun to listen to the heartfelt topics from all our members. Someone will always translate. Our volunteer translators were brought into service at the event. San Antonio is doing a La Viña anniversary also.//Our La Viña sister areas use our final agenda topic summaries in Spanish and we are lovingly sharing that message. The whole of AA is all of our friends. Its beyond your wildest dreams so I hope you open the door and participate.//Several meetings brought me to tears today as I heard members discuss special groups and reaching out to those who are suffering: it reminded me of the people I've met when I've attended meetings of people different than I and of their warm and loving treatment of me.

The meeting closed at 3:26 pm with Responsibility Pledge.

DCM SHARING SESSION

DCM SHARING SESSION July 27 2013

Phil B opened the meeting at 10:00 with the serenity prayer.

Presentation was done by Ester D. District 12 "Outreach to Groups – How to Bridge the Gap"

Ester Prepared a hand out titled "How to Bridge the gap between General Service and the membership"

The presentation went through the amount of Groups registered with GSO. Our area has roughly 2,000 groups with 800 GSR's registered to receive mail from Area. The "gap" produces: a Broken triangle; Broken conference process; and perpetual 7th Tradition problems.

Some methods for getting GSR's and keeping them active could be: Approaching meetings without GSR's. Share the message of General Service and what it provided. Also share some current news about area and GSO. We should be giving an orientation to all GSR's at the District meetings, which could be followed up at the subdistrict level by the DCM's. Review what is happening at the District with the GSR's, help with communication from the GSR's to their groups for the purpose and relevance of the Conference Process and how it effects the individual alcoholic. Some tools for this: the Workshop on Agenda items, Receive the Final Agenda Topics by January 15, and be sure to help with the reports back to the groups by the GSR's on the results of the Conference.

Some comments from group:

Our district has a GSR meeting before the District meeting to go through the agenda for the evening

All reports at districts should be in the bulletins or minutes for the meeting – leaving more time to discuss current GSR's concerns and Agenda Topics.

The "gap" can be addressed at District with education and Leadership to engage the GSR's

District needs to listen to the GSR's with information from their groups. This will personalize General Service.

Sometimes we have too many meetings and not enough groups – same people – same discussion – need to think outside the box to attract new individuals.

Why are the same people showing up at Districts – need to get a better cross section

My home group tolerates me because they have to – the GSR's are not looked at with high esteem from the groups. Not a very attractive service position. They are bored at district meetings – need to revamp so the GSR's are engaged – Bring the agenda items to life.

Next month we will continue with the same discussion with a general overview from Ester D. – District 12.
