

## **Chair Preview: March 2021**

So Much of General Service is in the air these two months around the annual Conference in New York, so having our Delegate attending the GSC, and attending PRAASA virtually, Agenda Topics Workshops, to prepare us all on one of the most important jobs, inform our groups and collect a group conscience becoming a physical part of the General Service Conference.

PRAASA as always has been an important contribution to my personal sobriety by listening and feeling through my computer's screen the endless and immense love in action from members with the same purpose of helping the alcoholic that still suffers.

At our last Area Committee Meeting, we continued to discuss the motion on incorporating CNCA as a California Non-Profit Public Benefit Corporation and that CNCA retain the services of a certified bookkeeper to assist the Treasurer, remaining several other items of old business like That CNCA requires affirmation of auto liability coverage, CNCA increase the reimbursement amount for qualified hotel stays from \$100 to \$150 per night.

We are getting ready for our Virtual Pre-Conference Assembly expecting a lot of people to share group consciences on the Agenda Topics; the Pre-Conference Assembly flyer lists what topics we will discuss each day. We will also hear group conscience on; That CNCA requests that a pamphlet entitled "Experience, Strength and Hope: AA for the Transgender Alcoholic" be produced; That AAWS publish a one-page summary of the six warranties; and That CNCA requests that a pamphlet entitled "Experience, Strength and Hope: AA for the Spanish-speaking LGBTQ Alcoholic" be produced.

Welcome again to all of you that rotated in this Panel, it may be too much to take in during this busy season, let's have fun and work together to maintain our mission to those alcoholics who need and seek for help.
