

Hello CNCA,

After substantial discussion, **the Area has postponed the resumption of in-person Area meetings until March 2022**. During these two months, an ad hoc committee will be investigating hybrid opportunities so that we can ensure the Area can operate successfully when in-person meetings resume.

We are optimistic that we can resume our in-person meetings in March, obviously depending on changing conditions. We also deeply appreciate your continued understanding, flexibility, patience, love, and tolerance as this situation evolves.

In the interest of clarity, this email includes a two-month calendar of all scheduled CNCA meetings and events in the next two months. For the most up-to-date information, you are encouraged to check the CNCA website at [CNCA06.org](http://CNCA06.org).
