

Chair's Preview

April 2024

What an amazing Pre-Conference Assembly. We had record-breaking hybrid attendance, with over 450 members on Saturday alone. About half the room attended for the first time, and we allowed our higher power to speak through us the entire weekend. We had a tear-jerkingly joyful performance by our past Delegates, sending our Delegate Eric L off to New York with the CNCA version of 'Proud Mary', which was then stuck in our heads all day. We are looking forward to hearing about Eric's experience at the General Service Conference upon his return. Please be sure to save the date May 11th as we all meet again for the Post Conference Assembly in Willits, CA, hosted by District 14 Mendocino. There is a flyer with all the details further in these Comments.

Thank you all for the spiritual experience.

Chitra Samanta

Chair

CNCA 06, Panel 73
