

CHAIR'S PREVIEW

We are rounding third base on our way to the end of the summer! At the start of August, we held our summer assembly—think of it as the World Series of workshops. Amid all the excitement, we passed a motion to propose to the General Service Conference adding a new question to the inventory section of the AA group pamphlet.

Ah, inventory! In our fellowship, individual members, groups, districts, and areas take inventories to figure out how effectively we're carrying the message. It's like checking the scoreboard to see if we're winning—except the prize is saving people from alcoholism and growth through service.

If you're reading this, congratulations! That means you're part of the area, and we'd love to hear from you. Got something on your mind you think the area should take a look at? Send in your inventory question. You can pitch it to me at chair@cnca06.org, lob it to any Area Officer, or throw it to your trusty DCM or DCMC.

Together, with open minds and a bit of humility, we can seek and find the truth of how faithfully we are walking our path in service to our fellowship.

Drew B.
